

At War with Religion

Craig Winn

October 7, 2023

“Fight and kill the disbelievers wherever you find them, take them captive, harass them, lie in wait and ambush them using every stratagem of war.”

Quran 9:5

There are days which change our lives forever. The morning of October 7th, 2023 was one of them. Whether you support Jews or the so-called “Palestinians,” Hamas’ actions or Israel’s reactions, the world is now divided and on the cusp of regional and world war. Are you ready to die, because that will be the fate of all but a remnant?

The behavior of the Islamic terrorists and that of the international protestors amassing in support of them became symbolic of how far humanity had fallen. It was as if we had collectively lost the ability to reason and be moral. It was Hell on Earth.

If there was a sane response, a lone voice calling out in the darkness, he was drowned out by the din of rage. And he needed to be heard because this was just the opening act. All of the belligerents are now maneuvering for the second phase of what will become a march of madness to the end of the world.

Since I know how calamitous the next decade will be for the inhabitants of this blue sphere spinning in space, and since this is the reason that I have returned to update what was *Prophet of Doom* and is now *God Damn Religion*, I have decided to interrupt our journey of discovery into how Islam began 1,400 years ago so that we can discuss what it has become. Its full potential is about to be unleashed.

I began composing my thoughts on these matters before the sun rose on that day of destiny. I was nearing the

completion of a periodic update of the books you will find on the shelf at YadaYah.com when my wife entered my study shaking and in tears. The first images of enraged boys and young men entering Israel from Gaza were just beginning to appear on social media. It was surreal because, at that moment, I was retranslating Yahowah's assessment and disposition of Gaza as spoken through the prophet Zephaniah.

Over the next few days, I completed my review of volume five of *Observations*, entitled, *Understanding*, where the following assessment appears. On Friday evening, just after sunset, I delivered this message on Yada Yah Radio. And now it seems appropriate to share it with you.

With a heavy heart, and having gone two nights without sleep, I reached for one last gulp of coffee before sitting down before the microphone on my desk and reporting...

Under the circumstances, I think it is important that I introduce myself and explain why I am addressing Israel. My name is Craig Winn. I have written 30 books under the title of *Yada Yahowah*. Yada means to know, and Yahowah is God's one and only name. You will find them available free at YadaYah.com. You will also find a complete transcript of this program on the site under Resources.

Over the past two decades, I have served as an expert witness on the threat posed by Islamic terrorism, appearing on some 5,000 syndicated talk radio programs. Subsequently, I have produced another 5,000 radio programs and podcasts as a voice of reason to explain religion, politics, and world events, in addition to my first love, the Torah and Prophets.

My commitment to save Israel began twenty-two years ago, on *Taruw'ah* | Trumpets, the *Mow'ed* | Eternal Witness to the Restoring Testimony that Jews have been bewildered into replacing with the Babylonian New Year, Rosh Hashanah. It was the 19th of September 2001, 8 days after America's comparatively tepid version of the Islamic terrorist attack on Israel of October 7th, 2023. Yahowah, the God of

Abraham, Yistchaq, and Ya'aqob, the inspiration behind the *Towrah, Naby', wa Mizmowr* | Teaching, Prophets, and Psalms, asked me to devote the rest of my life to saving Jews from themselves and from those who hate them.

On that day, I was tasked to begin where we are today, dealing with Islam, the deadliest and most destructive religion ever conceived by man. That same year, I flew to Israel and arranged meetings with Islamic Jihad, Hamas, and al-Qaeda. Based upon what they told me while they were holding guns to my head, I returned to write *Tea with Terrorists: Who they Are, Why they Kill, and How to Stop Them*. Thereafter, I wrote *Prophet of Doom – Islam's Terrorist Dogma in Muhammad's Own Words* which is irrefutable because I used the oldest and most respected Hadith as they were arranged in the *Life of Allah's Messenger* by Ibn Ishaq and the *History of Islam* by 'al Tabari, to rearrange the jumbled mess of the Quran chronologically. In this way, I was able to set it into the context of Muhammad's putrid life.

God Damn Religion is, therefore, the most copiously documented, comprehensive, contextual, and chronological presentation of the Quran ever written. For having done so, I received countless thousands of death threats – not that it mattered, because I have protection vastly superior to the Iron Dome – Yahowah's *mal'akym* | spiritual messengers and implements.

Some four years later, in 2005, I received a promotion and was allowed to leave the hellish experience of Islam behind, at least until now. In the interim, I have composed twenty books based upon my translations of the Dead Sea Scrolls, three additional on the Masoretic Text of Daniel and Ezekiel entitled *Babel*, which excoriate Judaism, and four more disproving the Christian New Testament by comparing its nonsense to the word of God as it appears in the Towrah and Prophets.

I am the only person in human history to have done these

four things, not only writing the most effective denouncement of Islam but also authoring volumes irrefutably disproving Christianity and Judaism, while at the same time, providing copious validations for Yahowah's testimony. There are thousands of profound insights found throughout *Yada Yahowah* which are presented for the first time in 2,500 years. By reading it, you will come to know God as He presented Himself to His people.

I share this with you – Yisra'el and Yahuwdym – because your God, Yahowah, asked me to do this for you. He then made it possible for me to discern what I am going to convey to you. And He did so because He wants to save you from yourselves and from your religious and political enemies at this time. The very survival of Israel, and the world at large, is hanging in the balance.

I have but one caveat – my concern over whether this message will resonate with a sufficient number of Israelis to save the nation, and rational individuals to spare the world from war. Sickened by what I've witnessed, I have not slept in two days, so I am slow of mind and thick of tongue. But perhaps that's a good thing since I share the latter with Yisra'el's most articulate orator – Moseh.

This time last week, I was doing what I do every day, 14 hours a day, when on Saturday morning, the 7th of October, 2023, before sunrise, my wife, who is Jewish, came into my study with tears streaking her face. The first news of Muslims from Gaza breaching the fence and killing Jews was just appearing – as excited Muslims were posting their rad adventure on their social media accounts. At the time, I was introducing Yahowah's depiction of Gaza and His disgust with the so-called "Palestinians." I had introduced His assessment with these words...

Of all the people cluttering this planet, the vile souls masquerading as Philistines while terrorizing Jews, are among my least favorite. The same is true with Yahowah – and He

just so happens to be God.

“Indeed (*ky* – because), **Gaza** (*‘Azah* – the fierce and forsaken, the damned and destitute [the miniscule territory previously occupied by the Philistines and today by the so-called “Palestinians”]) **will be** (*hayah*) **abandoned and rejected** (*‘azab* – disassociated and deserted) **and** (*wa*) **Ashkelon** (*‘Ashqalown* – a pile of trash behind a gate of dung, speaking of worthless garbage and repulsive excrement [one of five cities previously inhabited by the Philistines]) **will approach** (*la*) **an uninhabitable wasteland** (*shamamah* – an appalling ruin clothed in horror).

Ashdod (*‘Ashdowd* – those who deal treacherously and are violently destructive, cruelly assaulting others as devastating thieves; from *shadad* – to sadistically despoil and brutally ruin [one of five cities previously held by the Philistines and today by the Fakestinians]) **will be driven out and expelled** (*garash* – removed and banished) **by midday** (*ba ha tsahorym*) **while** (*wa*) **Ekron** (*‘Eqrown* – the uprooted, cut off, and plucked away [one of the cities of the Philistines]) **will be uprooted and tossed away** (*‘aqar* – will be pulled up by the roots, abandoned, and destroyed).” (*Tsephanyah / Yahowah’s Treasures are Stored Up for Another Time / Zephaniah 2:4*)

The names of these places are sufficient to explain what God thinks of the sorry souls occupying Gaza: fierce and forsaken, the damned and destitute, abandoned and rejected, a pile of trash behind a gate of dung, worthless garbage and repulsive excrement, those who deal treacherously and are violently destructive, whose assaults are cruel, and whose thievery is devastating, sadistically despoiling while brutally ruinous.

It could serve as the byline and mission statement of HAMAS and the PLO, of Al-Qaeda or ISIS – or any Islamic terrorist organization born out of the Muslim Brotherhood because they are all the same – including Hezbollah and

Islamic Jihad. But rather than confiscating what does not belong to them, no matter how many heads they decapitate or suicide bombers who blow themselves to smithereens, no matter what name they have selected to obfuscate their true nature, Yahowah is going to depopulate them, adorning them in the horror they inspired. They will be uprooted and tossed away.

Infected with the virulent pandemic of jihadist Islam, they have become a deadly plague for which there is no vaccine. Out of quarantine and allowed to migrate and breed, their religious disease will spread and sicken the world. It is why the neighboring Egyptians, Jordanians, Syrians, and Saudi Arabians are so inhospitable to them. While they all possess ample available land and resources, there has never been an invitation from any of their Muslim brothers to join them. They understand that the Fakestinians are unredeemable and serious trouble. They want nothing to do with them other than to use them as a spear in Israel's side.

God knows them as well. He sees them as toxic vipers who will strike and kill his people should they be allowed to live among them. So, mark your calendars because Yahowah will impose His will ten years from this date – just prior to Sukah in the 120th Yowbel. It will transpire on the Shabat of October 7th, 2033 as the sun sets one final time on the enemies of Yisra'el and Yahuwdym.

Yes, ten years from this day, the beginning of *Sukah* | Camping Out with God rather than the conclusion of the Miqra' in year 6000 Yah, the anguish will be over for a receptive remnant of Yisra'el. Yahowah is returning with the Messiah *Dowd* | David to celebrate the ultimate Family Reunion.

I write these words more disgusted by the leadership of this world than ever before. Yesterday evening as we considered Yahowah's intent regarding *Sukah* | Shelters on Yada Yah Radio, celebrating the 8th day of Camping Out with

God, crazed militants from the Islamic terrorist organization Hamas in Gaza were scheming with the theocrats in Iran to tear down the wall Israel had erected to keep them at bay. As the sun rose, bulldozers, which in saner hands are tasked with construction, were deployed by Muslims to destroy the high-tech fence protecting Jews from them.

Teenage boys, along with some in their twenties, even early thirties, armed with religious hatred and automatic weapons, invaded the Promised Land. Most were on foot and unguided while others lined up to enter Israel on motorcycles and in pickup trucks. The scene, captured in celebratory selfies, was chaotic and uncoordinated, uncivilized and noticeably evil.

With no one there from the IDF to interrupt their party or impede their progress, this death cult of marauding militants flooded in unabated and proceeded to savagely murder over 1,400 Jews in cold blood – a quarter of whom were kids attending a music festival. Forty children were beheaded. They wounded 4,000 more, mostly in the streets and in their homes. The images were akin to the Pogroms throughout Europe a century ago. Per capita, the carnage on this day was 6,000% worse for Israel's seven million Jews than the surprise attacks on Pearl Harbor in 1941 or the World Trade Center suicide bombings in 2001 were for America – although infinitely more personal and vicious.

And yet, rather than garner the world's collective rage against a terrorist culture more inbred, pervasive, and inhuman than Al-Qaeda or ISIS, Boko Haram or the PLO, Hezbollah or the Taliban, China, Russia, Turkey, Egypt, Saudi Arabia, and the European Union, called for an end to hostilities and for the imposition of the Two-State Solution. Rewarding terrorism in this way would be akin to giving the Japanese Imperial Navy Hawaii as a reward for their surprise attack and then to appease Islamic Jihadists by offering them New York. It would be less sane than rewarding Hitler's growing aggression with Czechoslovakia, because at least

Neville Chamberlain did so before the invasion of Poland, not after it. To call the approach heralded by Muslims and Progressives immoral and insane would be too kind.

The Fakestinians kidnapped 200 Jews, maybe more, mostly women and children. They beat some and raped others prior to hauling them back to their sewer of religious rage as if they were trophies. They would hold them as hostages, initially as human shields, which is standard operating procedure for these cowards who are famous for using their own women and children in this manner. But the premeditated intent of their human trafficking would be to trade the lives of the innocent people they had ruthlessly kidnapped for those of convicted terrorists. Should you be moral and rational, the events of this day served as proof that the creation of a “Palestinian” State would be suicidal – akin to reopening Auschwitz.

As such, may Yair Lapid always be remembered as the leader of the opposition against Yisra’el. Benjamin Netanyahu, Galant, Smotrich, Ben-Gvir, and Deri, along with Halevi and Barnea all have blood on their hands for prioritizing politics and their careers over Israeli lives – and for their inaction.

Along these lines, there are many credible reports out of Israel that Netanyahu supported the ascension of Hamas in Gaza as a check on the PLO and as a way to influence the Palestinian Authority. It may be one of Bibi’s scatterbrained projects that got out of control. If so, shame on him. But he is a man who often trips on his own ego.

As painful as it is for me to accept and report, it appears that as a concession to the Haredi and religious factions of his coalition, Netanyahu ordered two of the three 800-soldier battalions assigned to protect the 60-kilometer border with Gaza to provide security for an Ultra-Orthodox Sukkot festival near the flashpoint town of Huwara. Located thirty miles north of Jerusalem, by highway in military transports, it

is an eight-hour drive from Huwara to Be'eri – the epicenter of the violence.

This past Friday, the BBC provided video evidence that religious Jews, after parading in the streets and deliberately antagonizing residents, tossing stones, and vandalizing shops and cars, were confronted by a rock-wielding Muslim boy who was shot and killed. The IDF acknowledges that it used “riot dispersal means to defuse the confrontation” around the Sukkah festival in Huwara – confirming their presence. Some 60 Muslims were treated for tear gas inhalation as the town was closed by the military on orders from the coalition.

While I have consistently railed against ultra-religious Israeli settlers antagonizing Muslims, knowing that it was unacceptable and counterproductive, that was not the biggest failure on this day. The transfer of Israel's Defense Forces away from the Gaza border left the 800 remaining IDF personnel vulnerable and overwhelmed – as was the case with the Jews living nearby who were abandoned.

I'm not one for speculation, but I have investigated this story and have affirmed that there was a large Sukkot festival near Huwara, that these religious Jews inappropriately provoked the local community, and that the IDF was there to protect the Ultra-Orthodox. This being the case, the IDF was out of position on October 7th because this day was observed outside Huwara as Sh'mini Atzeret and Simchat Torah – both of which are rabbinical corruptions of the Towrah. To the extent that the IDF was understaffed where it mattered most, Judaism contributed to the carnage that followed.

If true, and the story is readily validated, Bibi must go, and along with him, the entire group of Haredi and Ultra-Orthodox MKs in his cabinet and coalition. That is not to pass blame. We all understand that they did not wield the knives that slit the children's throats, they did not rape the girls at the music festival, nor did they carry captives back to Gaza as trophies, but they did kidnap the IDF at the most inappropriate

time. Their lives took precedence over the 1,800 murdered, captured, and critically maimed along the Gaza border. Moreover, Netanyahu chose to leave them there, even as his administration discussed credible reports out of Gaza that it was about to erupt violently.

The Muslims called their terrorist assault on God's people "Flood of Al-Aqsa," unaware that Yahowah used "flood" to predict the caustic influence of their invasion 2,700 years ago in *Yasha 'yah* / Isaiah 17 and 18. In fact, it was after presenting these prophecies last year at this time that I predicted the events of this day, specifically explaining how there would be too many rockets for the Iron Dome to intercept and too many jihadists crossing the border to contain. I even predicted that they would infiltrate smaller border communities, where they would wreak havoc unopposed – with the IDF arriving with too little and too late to protect Israeli captives. These predictions were all duly recorded last year in the books that comprise *Yada Yahowah* and in Yada Yah Radio programs.

Like almost everything that comes out of the mouths of Muslims and the Progressives who coddle them, the truth was the opposite of their claims. But that did not stop the news media from parroting the lies of apartheid, occupation, and oppression as justification for beheading Jews. It was hard to watch as anti-Semites the world over applauded, and Muslims celebrated, all duped by the myths they have promoted. . Lying is essential to Islam, and not only are Muslims exceptionally good at it and susceptible to it, Progressive ideology has systematically disabled the left's capacity to be honest as well. As a result, the vast majority of people are being stupefied and deliberately misinformed by those who are devoted to malignant ideologies.

For example, there is no such thing as a Palestinian – and there hasn't been for well over 2,300 years. Worse for the myth, even before the Philistines were exterminated by the Egyptians, Yisra'elites, Assyrians, Babylonians, and Greeks, they were known to be savage foreign invaders from Crete.

They were so ruthless, so primitive, uncivilized, and cruel that even the empires that were built by slaves saw the Philistines as a liability. As a result, they annihilated them rather than enslaving them.

There is no occupation, at least not by Jews. To their detriment, and at the insistence of the Clinton Administration, Israel surrendered much of Judea and Samaria to the PLO, known today as the PA. Ignorant of that disaster, and how it had created a breeding ground for terrorists, at President George Bush's urging, Gaza was surrendered, literally abandoned, to be occupied by Israel's enemies. Those mistakes, along with the anticipation that the world would seek to destroy Israel's viability by continuing to encourage Islamic terrorists through the promotion of the "Two-State Solution," led to this day.

Believing that the regions they were "occupying," and which were devoid of Jews, needed to be liberated to create a State named after an extinct group of barbarian invaders, to whom none of them were related, fundamentalist Muslims terrorized the indigenous people of the Land. Even worse, they were led to believe that Al-Aqsa was an Islamic holy site worthy of their protection rather than an assault on their intelligence and the credibility of their religion. In reality, the Mosque and Dome are trophies to religious rage, barbarian invasions, and political ignorance. Islamic claims on the Temple Mount and Jerusalem are born out of the most insane and immoral moments in Muhammad's putrid life.

Following the debacle of the Satanic Verses, when Muhammad admitted that he spoke for Satan, Allah's non-prophet needed a diversion, so he championed the myth that while he was engaged in pedophilia with a six-year-old child, a winged ass swooped out of the sky to pick him up and fly him to the Temple in Jerusalem. There, he claims to have met with Jews who were long since dead. Dumb as the rock he promoted to god, he did not know that the Temple no longer existed and that it had been torn down by the Romans five

hundred years before his wild ass ride into self-incrimination.

Not done embarrassing himself, Muhammad, back aboard his flying steed, claims he leaped toward the Islamic Heaven, leaving a hoffie-print which the Dome of the Rock commemorates. Having not been bright enough to think through the consequence of his story, if it had been true, he was disclosing that Allah is found above Jerusalem, not Mecca.

Nonetheless, now airborne, his first stop along the way was the Islamic Hell – which one has to pass through to find Allah. There, he reported that all the inhabitants were naked women hung from meat hooks through their breasts. Their crime, according to Muhammad, was not capitulating gratefully to the Muslim men who had abused them. One would think that this would curtail Progressive support for the misogynist ideology. But stupid is as stupid believes. Life for them is a box of candy-coated toxins.

Considering the utter absurdity and gross immorality of the Islamic scriptural portrayal of the Night's Journey, to claim that the Temple Mount is an Islamic Holy Site, as Muslims and Progressives commonly insist, is to be willfully ignorant and chronically irrational. To fight over it and kill to protect it is to be a Muslim – deceived, destructive, and deadly.

As the foremost expert on Islam's corrupting influence, I watched in horror as Muslim boys ran through the toppled fence into Israel with the express intent of raping, plundering, kidnapping, and killing Jews – the younger and more innocent and the older and feebler the better. The pictures that these savages shot on their cell phones showed that they were indoctrinated beyond hope, more evil than Nazis, with no respect for life, indiscriminately victimizing women and children. It was the single most depraved expression of demonic behavior witnessed in a millennium.

That said, it was a replay of what Muhammad and the first

Muslims had done 1,400 years ago in Yathrib and in Khabar. Nothing had changed except some were on motor scooters rather than camels, and they wielded AK-47s and RPGs instead of swords. The result of each event in the life of Islam was unjustified, inhuman, and sadistic.

Predictably, with the help of thousands of coconspirators, including the illogical and amoral Progressives in politics, academia, and the media, Muslims went from celebrating the carnage they perpetrated and documented, to playing the victim card. Bred to lie, they denied the decapitations, the gang rapes, burning children alive, and torturous kidnappings. And then they cried that their innocent women and children, those who had raised them to hate and kill and those they had raised to do the same, were unfairly dying at the hands of colonizers and oppressors who were occupying their land. I wanted to scream and vomit all at the same time.

Ten days after committing the crime of the millennium, these terrorists went so far as to claim that Israel murdered 500 innocent civilians and was committing genocide by bombing a hospital, when they knew from the outset that one of their own rockets landed in the parking lot where it ignited a stockpile of munitions, killing the terrorists guarding it. Facts be damned, the leftist media and Muslim propagandists promptly condemned Israel for a crime the Islamic jihadists had perpetrated. Then on cue, legions of thoughtless zombies showed their rage by taking to the streets and assaulting Israeli and American embassies. Simply stated: the future is dismal and deadly for a world infected by this plague.

The best and worst of what I witnessed on the morning of October 7, 2023, was the complete failure of the IDF to stem the tide of jihadists. Eight to sixteen agonizing hours after the breach, there was no one there to deflect the tide of terror – no one even to thwart the passage of captured Jews into Gaza. Not one of Israel's 48 serviceable Apache helicopter gunships, which should have arrived in five minutes, and which would have salvaged the day with minimal loss of Jewish life, were

deployed.

As a result, Muslims massacred civilians in twenty-two communities and brutalized innocent Jews some fourteen miles into the narrow country over the course of three days. During their prolonged slaughter, the drama seemed to play out in slow motion without a coordinated national response.

And so, you may ask, what could be good about any of this? The answer is that my mission is to awaken Israel and the world to the horrors that will soon devastate those who remain estranged from Yahowah. While most are led to believe that they can trust their government, military, or religion to protect them, complacency and recalcitrance, combined with the false perception that their lives will continue on as they have in the past, precludes the consideration of God's warning and appeal. Therefore, proof of impending calamity is now required to awaken a comatose world from its collective stupor.

That is not only what occurred on October 7th, 2023. As a result of the failure of the most revered institution in Israel to protect Jews, there will be a resulting degradation in confidence in a nation already torn apart between the secular and religious, the far left and far right, and by judicial reform in a country so at odds with itself, it cannot form a constitution. With this being Israel's new normal, a horrible nightmare destined to repeat itself over the next decade, according to Yahowah's prophets, and spread worldwide, there is the hope that God's people – *Yahuwdym* | the Beloved of Yah – will stop relying upon their military, politicians, and religion. Perhaps this will serve as a catalyst, prompting a remnant to return to Yahowah after what has been a very turbulent 3,800-year estrangement – with only fleeting moments of respect.

Centuries before this day, Jewish rabbis in Yathrib helped create this deadly and demonic religion by reciting Talmud stories to an illiterate Muhammad for profit. They were then

bastardized by Allah's Messenger, this mass-murdering terrorist, rapist, and pedophile, to create the Quran. Without them, 80% of the Quran vanishes, along with any semblance of its credibility. More incriminating still, when Muhammad claimed that the Babylonian Talmud stories the rabbis had recited to them came instead from Allah, and when he twisted them to serve his lust for possessions and power, they mocked him and threatened to expose him. To prevent this, the psychotic non-prophet silenced them by torturing and killing them. The massacre of these Jews was duly recorded in Muhammad's Quran. Concurrently, to justify unjustifiable behavior, the Quranic diatribe instantly turned overtly anti-Semitic. A thousand Jews in Yathrib were beheaded, raped, or enslaved as a result. Nicely played, rabbis.

Israel, you are at war with yourselves and with your God. This is largely because the religions that your ancestors created – Christianity, Judaism, and Islam – have made Jews vulnerable. It is also because you are unwilling to tell the truth about Yahowah or Islam, but more on that in a moment.

What I shared with you at the beginning of our program, bears repeating: on Taruw'ah, September 19th, 2001, just eight days after the Islamic suicide bombings of 09.11.01, I began serving Yahowah and His people by exposing and condemning their religious foes. At the time, there wasn't a single Jew who celebrated Yahowah's name or who had accepted the conditions of the Covenant. Little by little, that has begun to change, with 0 becoming 100, and 100 becoming 1,000 as we grow until a remnant of God's People witness Yahowah's return with *Dowd* | David, the Messiah and Savior, the Firstborn of God, on *Yowm Kipurym* | the Day of Reconciliation in year 6000 Yah / 6:22 PM as the sun sets in Yaruwshalaim, October 2nd, 2033 – just ten years from now.

So, I ask God's People, will you be there on that day, celebrating life with Yahowah and your Messiah and King, *Dowd* | David? Or will you be among those appeasing Islam, tolerating Judaism, and relying upon Israeli intelligence

and the IDF to save you from yourselves and from those who hate you?

Or, alternatively, Jews can continue to rely on the Mossad, Shin Bet, and IDF Intelligence Services. But if you do so, you may want to ask how it was possible for reporters at the Wall Street Journal to detail the elaborate planning between Iran, Hezbollah, and HAMAS in the weeks preceding the attack when Israeli intelligence either missed it or knowingly let it play out as planned. How is it that Israeli intelligence managed to ignore the IRGC and HAMAS social media posts on Friday afternoon, justifying the impending assault, the warnings from Egypt, and their own surveillance videos of prior planning and resulting drills? And then ask why it took half a day for the government of Israel and the IDF to respond, considering that the Muslims breached the most high-tech impediment ever devised at sunrise, and then lingered to take selfies. Was it complete incompetence, dereliction of duty, or implied complicity?

The episode was reminiscent of *'Elyah* | Elijah sarcastically humiliating the constipated response of *Ba'al* | the Lord, suggesting that his inactivity was a result of being indisposed. Similar to the ineptitude and indoctrination of the prophets of Ba'al and 'Asherah, what has happened such that the most intellectually gifted people on Earth are so easily deceived? This should not have happened, and the consequence was the loss of 1,600 precious lives, including those of the captives and critically injured.

Are you aware that Israel is currently playing a lose-lose game, one without any chance of success? There are only bad options as a result of ignorant and ineffectual leaders. This is a combination of two factors. First, Israelis are unwilling to explain or accept the truth about the myth of the "Palestinians" or why Muslims are committed to eradicating Jews. As such, they are flailing unsuccessfully at symptoms rather than the cause of the problem. Treat the symptoms and the disease continues to spread – and this one is not only lethal, it was

specifically designed to target Jews.

And second, the world is galvanized against Israel – mislabeling and condemning the grieving nation’s every move, while upholding the lies promoted by its enemies, even rewarding the appalling behavior of the Islamic terrorists. The fact is, Islam has made Muslims much more deceptive than Jews. No one lies better than they, and for this they have Muhammad to thank. He made deception integral to the religion. Therefore, the internet is ablaze with immoral and ignorant hypocrites playing the victim card. It’s role reversal before a clueless audience.

There is no longer a viable option regarding Gaza. HAMAS is a symptom of a much more ingrained and pervasive problem – Islam. Fortunately, should you be ignorant of this reality, you hold the truth in your hands. My case against Islam is irrefutable because every page of *God Damn Religion* is upheld by the Islamic scriptures. I used Tabari’s historical portrait of Islam’s formation and Ishaq’s biography of Allah’s Messenger, the earliest and most credible Islamic scriptural sources, Sunah, to reorder the Quran chronologically and set it into the context of Muhammad’s despicable life.

Know your enemy. Come to understand that what happened today occurred 1,400 years ago in Yathrib and Khabar. The terrorists of October 7th, 2023 were no different than Muhammad’s gaggle of goons plundering the Jews of Arabia. According to the Quran, all good Muslims are terrorists. The proof, then and now, is ubiquitous and irrefutable. Denying this reality will lead to days far worse than today. And it will cloud the nation’s judgment, such that its resources are squandered making a bad situation worse – as was the case with America’s ill-fated and counterproductive missions into Afghanistan, Iraq, and Syria following 09.11.01.

You may be surprised to learn that *hamas* is a Hebrew

word. It speaks of “violence, cruelty, and injustice perpetrated by those who are wrong. *Hamas*, also transliterated as *chamas*, first appears in the Towrah in *Bare’syth* / Genesis 6:11, where we are told...

“**Now** (*wa*) **the region** (*ha ‘erets* – the territory, area, and land) **in God’s** (*‘elohym*) **presence** (*la paneh* – from His perspective and in His proximity) **was perverted and corrupt** (*shachath* – ravaged, rotten, and ruined, devastated and destroyed, becoming a putrid and polluted slime pit of corruption, oppression, and decay, not unlike a dungeon where captives are held against their will, with troubling lack of integrity).

Moreover (*wa*), **the land** (*ha ‘erets* – the region and territory) **was filled** (*male’* – was replete and overflowing, satisfied and wholeheartedly in compliance) **with violence, cruelty, and injustice** (*chamas* – destructive and maiming influences, terrorism as a result of everyone being wrong or wronged, brutality, killing, thievery, plunder, ferocity, malice, oppression, and looting without any moral restraint (often transliterated *hamas*)). (*Bare’syth* 6:11)

God inspected (*ra’ah* – looked upon and observed) **the area** (*‘eth ha ‘erets* – the land), **and behold** (*hineh* – pay attention, look intently and see), **it was perverted and corrupt** (*shachath* – ravaged, rotten, and ruined, devastated and destroyed, a putrid and polluted slime pit of corruption and decay), **because** (*ky*) **the entirety of the animalistic nature of humanity, including their every proclamation** (*kol basar* – all of the public pronouncements of preachers which are perceived to be appealing), **was perverted and corrupting** (*shachath* – ravaged and rotten, putrid and polluted, slimy and decaying, a basin of the controlled and depressed), **with their ways** (*‘eth derek huw’*) **superimposed upon** (*‘al* – all over) **the earth** (*ha ‘erets* – the region). (*Bare’syth* 6:12)

So (*wa*), **God** (*'elohym*) **said** (*'amar*) **to** (*la*) **Noach** (*Noach* – Guide and Leader, a trustworthy and reliable individual), **'I am coming to pursue a time-constrained** (*bow*' – I will diligently and demonstrably in this location cause (qal perfect)) **pruning, a cutting away and separating to place limits and restrictions** (*qets* – I am restraining and restricting, diminishing by placing limitations; from *qatsats* – to cut off part of an extremity by shearing, making a clear distinction that there are two separate and distinct methods) **on approaching My presence** (*la paneh 'any* – concerning My personal existence and appearance) **for all mankind, including all of man's proclamations** (*kol basar* – humanity's animalistic nature as if he were entirely flesh, along with the public pronouncements of preachers which are perceived to be appealing) **because** (*ky*) **the earth** (*ha 'erets*) **is filled** (*male*' – is overflowing and satisfied, wholeheartedly in agreement and preoccupied) **with violence, cruelty, and injustice** (*chamas* – terrorism as a result of everyone being wrong, maiming and malice, brutal killing, thievery and plunder, ferocious oppression, and looting without any moral restraint (transliterated *hamas*)) **because of** (*min* – as a result of) **their presence** (*paneh hem* – their existence and appearance).

Therefore, look, here and now (*wa hineh* – so behold, look up and pay attention), **I will ravage their slime pit and destroy them and their perverse corruptions** (*'any shachath hem* – I will devastate them, causing them to decay and decompose in this basin, wiping them out by laying waste to their oppressive and enslaving nature) **along with the ground within this region** (*'eth ha 'erets* – within this area, land, and territory).” (*Bare'syth* / In the Beginning / Genesis 6:13)

Yahowah conveyed His appraisal of human depravity to explain why He decided to scour the region. And in the process, He described the bloody birth of civilization and the effect of religious and political indoctrination. Of the two

terms He selected to describe mankind's fallen state, *shachath* | perverted and *hamas* | cruel, the latter proved to be prophetic. The influence of *hamas* in Gaza has been to cause the region to *shachath* | decay and decompose as a putrid and polluted slime pit of corruption and oppression where captives are held against their will. They are perverse and immoral, with a troubling lack of integrity. The result is *hamas* | violent cruelty and injustice. They are *hamas* | ferocious terrorists brutally killing and wantonly plundering people while maiming them with malice – all without any moral restraint.

This was God speaking to you, Israel. Are you listening?

Should you not be willing to listen to Yahowah, how about Yossi Landau? His voice is assuredly credible. He has served as a leader of ZAKA, the association of rapid-response paramedic volunteers and international search and rescue teams for the past 33 years. This week, his voice trembling, tears pouring through his greying beard, said,...

“We witnessed the mutilated bodies of a family killed during the Hamas terror attacks that had been bound together and brutally tortured.” On camera, he described the sadistic scene he found after entering a home at Kibbutz Be’eri. “I saw a father and a mother off to the side of their dining room. Their two children, a six year old girl and a seven year old boy, were positioned next to them. They were all on their knees on the floor with their hands tied behind their backs and heads bowed. Their bodies were tortured and then mutilated – one in front of the other. I wanted to know if the children had been forced to watch their parents suffer first or if the mother and father were mocked as they endured that insult. And when I say tortured, I mean to say that they were missing body parts. For example, their eyes were taken out. Fingers, ...fingers chopped off. All of this happened, he said, continuing to fight back tears, “and still, they were not finished. In the middle of the room there was a table, and those terrorists, they were sitting and eating the Shabat meal that this family had prepared. They ate their meal while torturing their children.

And then, after all this happened, at the end they all had a bullet.” Then these sadistic savages peed on the lifeless and dismembered bodies of those they had tortured to death.

Landau said he and his team saw evidence of torture and rape throughout Kibbutz Be’eri. Second only to attacking children at a music festival, the farming community was the epicenter of the October 7th Hamas invasion of southern Israel. It was there that they murdered and mutilated more than 100 men, women, and children. “We saw a naked and bound teenage girl who had been beheaded. More than twenty were set ablaze and burned alive. In one home, a pregnant mother was mutilated – her unborn baby gouged out of her belly.”

I should not have to explain, but I will since Muslims and Progressives have lost their moral compass. The Islamic assault on Israel on October 7th, 2023 ranks among the most depraved and cruel episodes in all human history. And while there have been individual outcasts and malcontents who have become infamous for torturing and killing random victims, and while the Romans and Nazis tortured and murdered many more victims, this was an atrocity of an entirely different hue. After being prepared and inspired by their religious and political leaders, 2,500 enraged and bestial young men invaded a neighboring country intent on sadistically humiliating and torturing as many innocent civilians as possible while the entire community celebrated the carnage their demons had perpetrated.

For this level of depravity to have affected so many people on such a massive scale to perpetrate crimes this cruel and heinous, only to receive jubilant support worldwide, condemning the victims while proclaiming that these terrorists were heroes, is affirmation that Hell exists on Earth and that man’s days are numbered. Most are no longer worth saving. They are not capable of being human and they are far worse than animals. They torture and kill for their amusement.

Quran 5:33 **“The punishment for those who oppose**

Allah and his Prophet and make mischief in the land, is to murder them, crucify them, or cut off a hand and a foot on opposite sides...their doom is dreadful. They will not escape the fire, suffering constantly.”

Tabari VIII:122 & Ishaq 515 **“The Prophet gave orders concerning Kinanah [the leader of a Jewish farming community Muhammad had exiled from Yathrib] to Zubayr, saying, ‘Torure him until you root out and extract what he has. So Zubayr kindled a fire on Kinanah’s chest, twirling it with his stick until Kinanah was near death. Then the Messenger gave him to Maslamah, who beheaded him.”** [Then after making his wife watch Muhammad torture and kill her son, Muhammad raped her.]

Quran 9:5 **“When the sacred forbidden months for fighting are past, fight and kill the disbelievers wherever you find them, take them captive, torture them, and lie in wait and ambush them using every stratagem of war.”**

Ishaq 550 **“The Muslims met them with their swords. They cut through many arms and skulls. Only confused cries and groans could be heard over our roars and snarling.”**

Quran 5:37 **“The disbelievers will long to get out of the fire, but never will they get out - theirs will be an enduring torture.”**

Ishaq 595 **“The Apostle said, ‘Get him away from me and cut off his tongue.”**

Ishaq 316 **“Following Badr [Muhammad’s first terrorist raid where he robbed a caravan of merchants from his own tribe], Muhammad sent a number of raiders with orders to capture some of the Meccans and burn them alive.”**

Tabari VII:113 & Ishaq 387 **“When Muhammad saw Hamzah he said, ‘If Allah gives me victory over the Quraysh at any time, I will mutilate thirty of their men!’ When the Muslims saw the rage of the Prophet they said,**

‘By Allah, if we are victorious over them, we will mutilate them in a way which no Arab has ever mutilated anybody.’

Quran 8:12 **“Your lord inspired the angles with the message, ‘I will terrorize the unbelievers. Therefore, smite them on their necks and every joint and incapacitate them. Strike off their heads and cut off each of their fingers and toes.’”**

The man, the book, the religion, the reason behind October 7th, 2023.

For the Progressives and Muslims decrying Jews while appealing to the religious culture that raised and indoctrinated, then trained and equipped these savage Islamic jihadists by proclaiming the Quran and Sunnah to them, I view you all as enemy combatants and coconspirators – and so does God. May you all join them in hell, but not before first tasting the consequence of the terror you inspire and coddle.

Even if the IDF could do the impossible after failing to be responsible and eliminate every HAMAS leader and all of its militants, there would be ten more created for every martyr locally and one hundred worldwide. It is impossible to prevail against a religious ideology with bullets and bombs – unless that bomb is nuclear and destroys everything. But that’s untenable. Not only would the radioactive fallout poison Israel, but the world’s response to the deaths of two million people would be the strangulation of Israel.

Out of the ashes of Al-Qaeda ISIS emerged. They were worse. Then after the destruction of ISIS, Hezbollah gained strength such that they are poised to bludgeon Israel. After the fall of HAMAS, another name will be chosen to represent a new, even more zealous assemblage of jihadists. Kill them all, and there will be all the more of them. It is the magic of religion and the nature of martyrdom.

Frankly, while HAMAS exists, they would rather rape,

torture, and kill the captives than hand them over to Israel, making a rescue mission more costly and less productive than today's response to the invasion. It is already happening. Women are being paraded naked and bleeding in the streets, and soldiers are being beheaded after enduring the humiliation of being caged like animals. The depraved and irrational nature of your enemy makes it all but impossible to rescue them or to prevent this from recurring.

Reality states that Israel and the other forty nations from which the captives hailed, including America, China, and Russia, lost them because the leadership was ill-prepared and equipped to protect them. People have shirked their individual and collective responsibilities. Awash in political correctness, otherwise responsible people no longer realize that, when properly directed and expressed, hate is compassionate and necessary. To discourage this from reoccurring, men and women must direct their righteous indignation against those who perpetrate and celebrate the decapitation of children and the gang rape of young girls, kidnapping and mass murder – including the religion that inspires these hideous attacks on innocent lives.

Unfortunately for Israel, a population armed to the teeth and hoping to die for the glory of the faith cannot be invaded or occupied at an acceptable or sustainable price. And trading innocent captives for convicted criminals will have the same result as what Biden wrought on Israel a month ago when he exchanged Iranian terrorists and the promise of some six billion dollars for a handful of American tourists.

To be fair, since the massacre, President Joe Biden has gone from rhetoric in opposition to Israel to its most articulate and impassioned supporter. Although, all is not what it seems when dealing with a Progressive administration. America's support will come with a boatload of conciliatory concessions which will exacerbate Israel's dire dilemma.

I am convinced that Crown Prince Mohammed bin

Salman has a knife against Biden's neck and that this psychopath is holding the senile American president hostage over the fate of petrodollars and reserve currency status. As a result of many prior miscalculations, America's choice is either to become a vassal of the Muslim Kingdom or shrivel up and die in the ensuing catastrophic economic collapse.

Knowing that America has not fired a single shot in the defense of Israel, and yet has spilled its coin and shed its blood in the defense of Saudi Arabia, that the nation is essentially bankrupt, and that this administration craves the dismemberment of Israel through the imposition of the Two-State Solution, October 7th set the pieces in place for this eventuality. After all, why do you suppose China trumped the United States by normalizing relations between Iran and Saudi Arabia and then watched as Iran made normalization between Saudi Arabia and Israel impossible? Why was Secretary of State Antony Blinken allowed to participate in Israel's War Cabinet meeting, where he gave directives to constrain the IDF, immediately following a meeting in Saudi Arabia with MBS? Consider yourself forewarned.

When Israel invades Gaza, it will trigger the second phase of the Iranian, Hezbollah, HAMAS, and Islamic Jihad plan, with a far more massive aerial assault followed by one with a hundred times more militants, all better armed – flooding in from the north, east, south, and west. As a direct consequence of America's misguided fiascos in Afghanistan, Iraq, Syria, and Libya, the assault will likely include Libyans, Jordanians, Syrians, Saudi Arabians, Iranians, Iraqis, Lebanese, and Turkish Muslims. With America's carriers sitting offshore, it may be a delayed reaction, giving Iran more time to equip its proxies, but it is inevitable. Since 5,000 rockets and half that many jihadists wreaked such a savage blow, they are fully cognizant of what would occur when they up the ante a hundred-fold.

It breaks my heart to say, but we know it is true considering the deep-seated rage and overbearing arrogance

of Muslims. If Israel does not invade Gaza, Israelis will be forced to cower in fear, knowing that this was the first of many such attacks. Their days are numbered; their lives are at risk. Lose-lose.

Those who are informed and rational realize that Mohammed Diab Ibrahim Masri, nicknamed, *Deif* | the Guest, the man who served as the “mastermind” behind the appalling events of October 7th as the commander of Izz ad-Din al-Qassam Brigades of reprobates, is the most popular political and religious figure among the Fakestinians. And HAMAS (*Harakat al-Muqawamah al-Isamiyyah* | Islamic Resistance Movement) holds a 70% approval rating among the neighboring Muslim militants. As a result, while the perpetrators of his hellish plot were depraved civilians, there are very few innocent civilians in Gaza. When bloodied and beaten Jews were dragged through their streets, women and children gathered in great numbers and applauded. Almost everyone in Gaza is complicit in this crime which was perpetrated by their sons at the behest of their elected officials. The task of separating HAMAS from Fakestinians is as futile as removing the caustic influence of Islam from those intoxicated by it.

Clearly, Israel is justified in no longer supplying the mass-murdering rapists, thieves, and pedophiles who perpetrated these heinous crimes with electricity, water, fuel, or food. It is also appropriate for Israel to raze their homes – just as they would the families of much less ruthless terrorists. But do so smartly. Promise to resupply these things just as soon as every captive is returned safely to Israel and every member of Hamas walks out into the open, no longer hiding among their women and children. Tell the Muslims that you will stop attacking Gaza when every Hamas jihadist and supporter – tens of thousands of them – moves out of the populated areas and into the open terrain that Jews abandoned in the north of the Gaza Strip where they can fight as if they were men. Offer to engage them there, giving each martyr an

express ticket to Allah's virginal brothel. Win-win.

At the same time, Israel must fight the public perception war that it is losing badly. No matter the pain, the autopsy and crime scene photos and descriptions of every murdered and mutilated Jew must be shown – all of them – along with a narrative of what occurred, showing photos of the jihadists who committed these crimes. Simultaneously, establish a photographic tribute online for all who lost their lives to these demons. While this will be anguishing but therapeutic for friends and family, it must be done. It is the only way that their stolen lives will contribute to a better future for God's people.

I have and will continue to devote and risk my life in support of Yahuw'dym and Yisra'el, while at the same time openly exposing and condemning the pathetic religions and political platitudes that would denigrate and destroy them – Islam, Christianity, and Judaism, as well as Progressives. Thirty books, 10,000 radio programs, and thousands of death threats testify to my unwavering commitment – as does the 91st *Mizmowr* | Psalm.

Sadly, there isn't the leadership in Israel to do what must be done to survive. I say this because no one is willing to denounce the outright deception of a state of Palestine or the myth that there is a Palestinian people. Both lies must be bluntly and boldly rebuked. Then it must become illegal for anyone in Israel to use either misnomer. It is the plague of Hadrian revisited. The myths of Palestine and the notion of coexistence with Muslims are the most destructive and deadly for Israel.

Second, Muhammad's absurd lie regarding his flight of fancy to the non-existent Temple to meet with long-deceased Jews en route to the Islamic Heaven by way of its Hell must be explained and repudiated. Since it was Muhammad's response to his Satanic Verses, the truth is so devastating to the Quran's credibility that it becomes suicidal for Muslims to persist in their claims.

Both buildings, the Dome of the Rock and Al-Aqsa Mosque were initially constructed as trophies, validating Allahu Akbar – that Allah was Greater than Yahowah. They emerged as the world was ravaged by the first Muslims – as they killed a third of the world’s population from India to Africa. Both blights on the Temple Mount must be razed, with no trace of them left to inspire greater jihad. It should have been done in 1967. Learn and live.

Third, *God Damn Religion* must become required reading for every Israeli. Consider it my gift to God’s people – one inspired by the God of Abraham, Yitschaq, and Ya’aqob. Know the truth, tell the truth, and start responding rationally to the threat of the most lethal and anti-Semitic pandemic to infect humankind.

Fourth, to survive, the enemy within must be exposed and constrained – Judaism. Yahowah hates it more than Islam, more even than Christianity’s Plague of Death. Judaism has done more to impoverish Jews and separate them from their God than all other foes combined. Judaism is not just a parasite; it is on the cusp of killing the nation from within.

Being Jewish is an ethnicity, not a religion. Seventy-percent of Israelis know that I am right in this realization – although not to this extent because they are not as well informed.

Fifth, while people ought to be free to be stupid and believe the abominable myths of Judaism, Christianity, Islam, Conspiracy, and Progressive ideology, they are not free to act on them to the detriment of Israel and Jews. To appreciate the nation’s current plight, Israel needs to be cognizant of how their forefathers behaved during the Exodus and then become mindful of the examples set by Moseh, Joshua, Caleb, Shamuw’el, Dowd, Chazaqyah, and ‘Elyah. It is only when an enlightened and receptive, anti-religious remnant of Yisra’el returns to Yahowah and accepts the conditions of the Covenant that there will be peace in the Land. On this, we

have Yahowah's promise – and He has never been wrong nor failed to do as He has vowed.

Should you be among those interested in living forever in God's company, come to know Him as He is and not how the religious have slandered Him. Should you want to become part of His Family and inherit the universe, accept the five conditions of the *Beryth* | Covenant. Should you want to be emancipated and enlightened, enriched and empowered, read *Yada Yahowah's* presentation of God's promises pursuant to the *Miqra'ey* | Invitations to be Called Out and Meet. If you want to be safe, accept *Dowd* | David as your Messiah and Savior. Consider these insights, and countless more, a gift of life and love to Yahuw'dym. All 30 volumes are free at YadaYah.com.

Your other option is to reject this advice and continue as you have in the past, expecting a different result. Invade Gaza or not. Speak truthfully about the myths of Palestine or give them a State from which to terrorize you. Address the root cause of Islamic terrorism or remain in denial as they slit more throats. Believe the rabbis, and at least you'll be dressed for your own funeral.

For those who might rebuff my warning with an ad hominem assault, demeaning me by suggesting that it isn't realistic to declare war on a religion of 2 billion people, I would remind you that they declared war on you 1,400 years ago. There have been countless days like today and more to come if you don't face reality. Showing compassion to the merciless damns the innocent.

For those who would seek to appease Muslims by allowing them to control your Temple Mount, with these appalling trophies scarring the Jerusalem skyline, and with their own territories carved out of Israel, I would ask you to consider how well that approach has worked in the past. Oslo comes to mind as does the surrender of Gaza. Who wants to be the next and last Neville Chamberlain?

Should you choose to reject my olive branch from God because I have dared criticize the cult of Judaism, ask yourselves why condemning the Jewish propensity to be religious is the dominant theme of Yahowah's prophets. Why has life been so degrading and dehumanizing for Jews if Judaism is beneficial? Why are the most religious also the least intelligent, least productive, and least willing to fight for Israel's survival? Why are they parasites? Was Israel comatose on this day because the rabbis added their own embellishment of the Miqra' of Sukah with a 9th day and then turned the Shabbat into the least productive and observant time of the week?

Israel, I have offered the best news possible, but not the worst – and unfortunately, it is inevitable. While Israel can and will be saved through another Hezekiah awakening, with the complete elimination of religion and return to Yahowah, His Towrah, Miqra'ey, and Beryth – this reward is only for those willing to accept God's magnanimous offer. However, for those who choose to rebuff your religious enemies by continuing to use the weapons of war, I have very bad news.

Apart from another Hezekiah declaration on behalf of the Towrah and against religion, it is inevitable that Muslims will terrorize Israel as never before – far worse than was witnessed on October 7th, 2023. As a result of the choices and concessions Israel has made and will make, many at the insistence of the United States and Europe, the nation has become indefensible.

Whether it is next week or next year, over the next decade, according to Yahowah's prophets, particularly Yasha'yah, Israel will be overwhelmed by a flood of Islamic terrorists. Rather than 1,500 to 2,500 jihadists infiltrating the Promised Land, as was the case this week, next time with Iran's participation through Hezbollah, Islamic Jihad, Hamas, and its occupation of Iraq, Syria, and Lebanon, there will be 100 times more Muslims being Muslims in their pursuit of Jews. And rather than 2,000 rockets initially and 20 powered

paragliders, Israel should expect 200,000 rockets, missiles, and drones.

As I foretold a year ago, the Islamic terrorists surrounding Israel will deploy the same strategy. They will overwhelm the Iron Dome with a greater aerial assault than it was designed to handle, thereby raining fire into every Israeli city. Simultaneously, this coordinated force will overwhelm the smaller and more vulnerable communities with an onslaught of jihadists. And this time, they will invade with sufficient numbers and weapons to hold entire communities hostage, leaving Israel with the impossible choice between capitulation or annihilation.

There is nothing the IDF can do to stop this from occurring. With its jets, tanks, and advanced weaponry, it is well-suited to prevail in the last war, as is the case with most militaries. Should there be another Yom Kippur or Six-Day War against hostile nations and their militaries, they would prevail. But that is not the imminent danger.

Israel, October 7th, 2023 is your future and fate if you do not listen and respond appropriately. Iran now knows for certain that it can play the crazed jihadist card under the cover of fire from the sky. And as the IDF strategizes on how to stop the effects of a couple of thousand crude rockets, a few bulldozers, hang-gliders, and a thousand or so jihadists on foot and bikes, Iran, flush with money and on the cusp of a bomb, is planning the final solution. At the very least, it will be a hundred-fold what God's people endured this past Sabbath. And worse than before, the government and IDF will be paralyzed as Jews are raped, plundered, and annihilated. Please don't let this happen to you.

No one cares more about Jews than me, but like Yahowah, I know your history and, therefore, your propensity to choose poorly and antagonize the Almighty. And so, I have devoted my life to bringing you to your senses – to helping you return to Yahowah, His *Towrah* | Teaching and Guidance,

His *Mow'edym* | Eternal Witnesses to the Restoring Testimony, and His *Beryth* | Covenant Family. It is time to embrace *Dowd* | David, Yahowah's Firstborn and your *Mashyach* | Messiah, *Melek* | King, and *Yasha'* | Savior as the *Zarowa'* | Sacrificial Lamb before his return on *Yowm Kipurym* | the Day of Reconciliations in the Yowbel year of 6000 Yah / sunset, October 2nd, 2033. The books on the shelf at YadaYah.com – *An Introduction to God*, *Yada Yahowah*, *Observations*, *Coming Home*, *Babel*, and *Questioning Paul*, in addition to *God Damn Religion*, are available and free for this purpose.

That said, no one knows Islam or hates Islamic jihadists more than me. And this is because I understand Muhammad, Allah, the Quran, and Hadith better than any of those who are inspiring them to jihad. Awaking you and others to this reality is why I am updating and rewriting *God Damn Religion*. Therefore, I know who they are, why they kill, and how to stop them, putting me in the unique position to offer you these insights that will save your country and life.

One last thought before we return to the testimony of the prophet, Zephaniah. I have witnessed the righteous rage Israel has brought upon Gaza. And I have no sympathy for the Muslims dying there. I watched as tens of thousands, including women and children, celebrated the terrorist acts their sons and fathers perpetrated on defenseless Jews. They are not innocent, and in this war, all of the Islamic belligerents are civilians, as even children are given guns and taught to hate and kill. Nonetheless, the pictures of tears, fake and real, will hasten the next phase of this war. Rather than ridding the world of Islamic terrorists, Israel is now manufacturing them in far greater numbers than they are eliminating.

This is what Yahowah had His prophet write about the enemy who lives in your midst – the Fakestinians...

“Woe (*howy* – alas this warning of impending doom) **to those who inhabit these places** (*yashab* – who have

established their dwelling place and settled in them, occupying them), **those who are wickedly offensive, engaging in boisterous religious parades in the region along the sea** (*chebel ha yam* – the destructive belligerents along the anguishing seacoast), **you nation of Cretans and Philistines** (*gowy Karethy* – gentiles who cut a deadly and destructive covenant).

The Word (*dabar* – the message) **of Yahowah** (*Yahowah* – the proper pronunciation of YaHoWaH as ‘*elowah* | God instructed in His *Towrah* | Guidance regarding His *hayah* | existence and your *shalowm* | restoration) **is against you** (‘*al ‘atem*) **Kan’an** | **Canaan** (*Kan’an* – subjugated and humbled, brought down and subdued), **you in the land** (‘*erets*) **of the Palishty** | **the Philistines** (*Palishty* – fearsome terrorizing invaders whose name was usurped by the so-called Palestinians).

I will destroy you (*wa ‘abad ‘atah* – I will exterminate you, blotting you out so that you vanish) **such that there will be no inhabitants remaining** (*min ‘ayn yashab* – because it will be unoccupied).” (*Tsephanyah* / Yahowah’s Treasures are Stored Up for Another Time / Zephaniah 2:5)

It is such an odd thing. These worthless Islamic terrorists have fraudulently bequeathed upon themselves a name which is only known through Yahowah’s *Towrah*, *Naby*, *wa Mizmowr* | Teaching, Prophets, and Psalms. There is no mention of the reprehensible Philistines anywhere else, including the Quran. Therefore, if God’s testimony is reliable, they are foreign invaders who have no claim to the land. But if Yahowah’s testimony is unreliable, there is no such thing as a Palestinian or a place called Palestine – no matter how many morons they convince or how loudly they scream. The realization that this deceptive and delusional myth has been popularized to the point it has become universally accepted, demonstrates just how far mankind has fallen.

But let us be absolutely clear on this one point: God has

not been deceived. He sees the so-called Palestinians for what they are: unproductive and belligerent, Satan-worshipping and anti-Semitic, foreign invaders and terrorists.

To make His home a safe and joyous place to live, He will eradicate these irritating pests. Gaza is exactly as Yahowah chose words to describe it nearly three thousand years ago. But what it is, is not what it will be.

“And (wa) the wickedly offensive governmental district which sponsored boisterous religious parades along the seacoast (*chebel ha yam* – the territory of destructive belligerents bordering along the expanse of the sea) shall become (*hayah*) beautiful pastures with meadows for shepherds to graze their sheep (*nawah karah ra’ah*) along with (wa) folds for their flocks (*gaderah tso’n*).” (*Tsephanyah* / Yahowah’s Treasures are Stored Up for Another Time / Zephaniah 2:6)

The land best known for irresponsible parents turning their children into terrorists will have a higher calling. It will be used to graze the sheep of Yahuwdah. The homes of terrorists shall be as barns for their animals...

“Then (wa) this region (*chebel*) shall be for (*hayah la*) the remnant (*sha’eryth* – the remaining descendants) of the house (*beyth* – of the family and household) of Yahuwdah (*Yahuwdah* – the Beloved of Yah who are Related to Yah), on which (*’al hem*) they shall care for their sheep (*ra’ah* – working as shepherds) in the houses (*ba beyth*) of Ashkelon (*’Ashqalown* – the pile of trash behind the gate of dung, the worthless garbage and repulsive stench) in which they shall lie down to rest in the evening (*rabats ba ha ’ereb*).

For surely (*ky*), Yahowah (*Yahowah* – based upon *’elowah*’s | God’s *towrah* | guidance on His *hayah* | existence), their God (*’elohym hem*), will be mindful of them (*paqad hem* – will take them into account and will lead them), returning and restoring (*shuwab*) their possessions (*shabuwth hem* – their assets and fortunes after them having

been captured, controlled, and oppressed, imprisoned in another country).” (*Tsephanyah* / Yahowah’s Treasures are Stored Up for Another Time / *Zephaniah 2:7*)

They were and He did. In the greatest transformation in human history, Jews, or more correctly, Yahuwdym, rose out of the ashes of the Third Reich to live among the open pastures of the Promised Land. The Muslims who had sought to have them exterminated rather than allow them to return home, will be wiped off the face of the Earth instead. Fair is fair. They will reap what they have sown.

There are so many reassuring truths reverberating throughout this prophecy, let’s consider a few. First, there is no room for Replacement Theology. Yahuwdym are Yahowah’s Beloved. God remains mindful of the Chosen People and has not switched His loyalties toward gentile Christians or Muslims.

Yahowah made a promise to ‘Abraham and He’s going to keep it. This is the fulfillment of the vow to restore the Covenant. Father and His Son are returning to protect their Family – Yahuwdah! This reunion will occur on *Yowm Kipurym* | the Day of Reconciliations.

Second, to express genuine love we must follow God’s example and appreciate who, what, why, and how to hate. Protecting those we love necessitates learning to use our minds and words to thwart their most lethal and imminent threats to innocent lives.

And third, Yahowah’s witness can be trusted expressly because it is filled with powerful and wide-ranging prophecies such as this. In this example, He predicted that those who had once harassed His people would reappear out of an ether of lies to terrorize them once again. He foretold that the race known as Jews would be held in captivity, and yet that they would return to a land fraught with peril. He predicted that the rotting rubbish in Gaza would need to be terraformed to be habitable. He even predicted that the realm of the so-called

Palestinians would be known as a “governmental district,” that the people living there would have a propensity for “marching in boisterous religious parades,” and that their stated issue with Yisra’el would be over their “borders.” God was right.

Yahowah stored this insightful treasure up for His children to find long ago. It not only breaks my heart that they have neglected it, but that the words He chose are so loving, so tender, so joyful, so compelling, even compassionate and reassuring. I’m grafted into Yisra’el, and I’m moved to tears. What about those of you for whom this promise was made, for those whom this Land was given?

As the one Yahowah has called to contribute to the *Nes* | Banner being raised on Israel’s behalf, to save your soul and those you love, open your eyes and your mind and consider...

“All of (*kol* – the entirety of) you who inhabit (*yashab* – those who live upon) **this perverted Earth (*tebel* – the habitable parts of the confused world which is in the process of destroying itself; from *ta’* and *bel* – the chamber of the Lord), **and also** (*wa*) **those who remain and dwell in** (*shakan* – who abide, having settled in) **the Land** (*‘erets* – the region or material realm (a metaphor for Yisra’el)), **when** (*ka* – accordingly and as soon as, even by association and simultaneously when) **the *Nes* | Sign and Banner, the means to effectively gain the people’s attention, to communicate with them such that all can be rallied to the point of action, drawing them together so that they engage in a productive manner, all by conveying important information conspicuously within the community** (*nes* – sign and banner; from *neses* – to raise) **is lifted up** (*nasa’* – is raised and respected, is picked up and accepted (scribed using the *qal* infinitive construct which serves as a verbal noun to literally and emphatically demonstrate God’s intent)) **and shown on high from above** (*harym* – appearing above all, upon the mount and mountains, from *harar* – to emerge, appear, loom, show, and reveal from up above), **its purpose will be for you****

all to become perceptive (*ra'ah* – its intent will be to provide insights and understanding for all of you who literally and continually observe and consider the witness, gaining a perspective by paying attention so as to understand (scribed in the qal stem, imperfect conjugation, and jussive mood – a third-person expression of volition (and thus addressing the purpose of the *nes*) for all of those who are genuinely observant with benefits unfolding over time)).

And also (*wa*) **when** (*ka* – accordingly as soon as, by association and simultaneously as) **the Showphar** (*showphar* – trumpet comprised of a ram's horn used for signaling which is symbolic of the purpose of *Yowm Taruw'ah* – issuing a warning about opposing Yah while conveying the benefits of Yah's offering; from *shaphar* – to be bright, pleasing, and beautiful) **sounds** (*taqa'* – is blown, conveying the signal by making a blast encouraging listeners to join together, to make a pledge, and then depart (the qal infinitive intensifies the importance of this action using a particularly descriptive verbal noun)), **listen** (*shama'* – consistently, actually, continually, and genuinely hear the sound, receive the message, and pay attention to the invitation and summons (qal imperfect))!" (*Yasha'yah* / Salvation is from Yahowah / Isaiah 18:3)

This witness is being addressed to Yahowah's people, designating them by where they have settled. It is for every Yisra'elite living anywhere in the corrupt world of man. *Tebel* speaks of the "inhabited places of the Earth which are confused and perverted." As a compound of *ta'* and *bel*, it is the "Lord's realm" – and as we have learned, *Ba'al* | Lord is Satan's name and title.

The prophecy is for those who remain and dwell in the Land, and thus for those who have survived the Islamic tsunami into Yisra'el. This distinction is important because the most estranged are being called home to Yisra'el, while those already in the Promised Land are being called to God's Home, and thus into the Covenant. More to the point: those

living in Yisra'el need to accommodate and accept the massive influx of Yahuwdym that will be arriving from the United States and the rest of the world. The population of Yisra'el may double by 2030 if the message on the *Nes* | Sign is heeded.

As we have already discovered, a time is coming when Yahowah is going to lift up and prominently display a *Nes* Sign and Banner to accomplish this very thing. His plan was detailed earlier in *Yasha'yah* | Isaiah throughout the 11th chapter. And so now you will find the words depicted upon this *Nes* may be among those written throughout *Yada Yahowah, An Introduction to God, Observations, and Coming Home*. And while they all point the way Home, even *Babel, Questioning Paul, and God Damn Religion* are helpful because they demonstrate the many ways humankind has gone astray.

I take comfort in knowing that every word found therein represents a devoted and honest attempt to accurately and comprehensively translate Yahowah's words and then comment on them in a manner designed to convey insights and encourage thoughtful contemplation. Furthermore, Yahowah wants the individual translating and compiling the *Nes* to be *yada'* | known such that His people *ra'ah* | look at and pay attention to what he has written for their benefit. The *Nes* is Yahowah's, making it consistent with the message of Moseh, Shamuw'el, Dowd, and Yasha'yah.

Based upon Yah's propensity to work through men rather than dictate to them, His *Choter* | Secondary Branch and Sucker emerging from the original roots, has risen to this occasion and is scribing God's message. The *Nes* | Sign he is composing is based entirely on Yahowah's prophetic testimony. The conclusions and insights are from the *Towrah, Naby', wa Mizmowr*. With the help of Yahowah's Seven Spirits, this report is essential for God's people at this time.

Yada' was called and has been prepared for this moment

and mission. It is why there are three *Zarowa'* – Moseh to convey Yahowah's message to mankind, Dowd to live it, and Yada to bring Yahuwdah and Yisra'el back to it.

Israel is enduring the opening salvo of the Zephaniah and Isaiah prophecies – not because God ordained it, but because He wanted His people to be aware and prepared for the consequence of marauding Muslims. And while he is an advocate for the survival of Yisra'el, his pronouncements are still largely ignored by those who prefer politics and religion to a relationship with Yahowah. This is not without precedent. Over the long history of Yisra'el, Jews have acted belligerently antagonistic toward God. Today, the overtly religious and secular have become traitorous and have turned against their own people. The shrill voices of Progressive Jews in America condemning Israel while praising the Fakestinians is the most ignorant and immoral, utterly insane, diatribe I can recall. I am certain that both Dowd and Yahowah are committed to holding them accountable for the grievous harm they have done to those He loves. And now, while initially hiding in their parasitic hovels, the Haredim have come out of their dens waving Palestinian flags. As stupid as they are, perhaps it is nothing more than the black stripe coordinates with their morbid outfits. Perhaps it is professional courtesy since they worship the same god. Maybe, Stupid likes company. We know it is true with large Progressive rallies, so why not also with the ultra-religious?

Fortunately, there is a better option on this day of soul-searching and death when the very survival of Israel is on trial, and when most of the world has turned against Jews. In the face of darker and deadlier days to come, Yahowah has brought forth this beacon of light, His Herald, to show the way home – to life eternal with Yahowah – and to a time and place without religion or the terror it inspires.

God's timing, of course, has been perfect, as has been His execution of this plan. It was wise of Him to have me begin by exposing and condemning Islam. As a result of that long

journey into the corrupt crevices of the religion, I am now the only person on the planet who can speak with knowledge and unshakable authority against the curse which is currently plaguing God's people. I understand why good Muslims are mass murderers, pedophiles, rapists, and thieves devoted to terrorizing Jews while confiscating Israel.

As a direct result of Yahowah having me begin by experiencing *Tea with Terrorists* and composing *Prophet of Doom*, now *God Damn Religion*, in the most rational manner possible, I have the ability, authority, and courage to save Jews from Muslims by telling the truth. This should not be surprising because this is how Yahowah prefers to communicate with and guide His people.

Immediately after my long journey into the darkness of Islam, I was inspired to translate Yahowah's testimony from the oldest extant sources, becoming unique in this regard – or *qodesh* | set apart in God's parlance. In the process, I became the first in well over two millennia to properly convey the pronunciation of Yahowah's name. I not only came to understand and share the five conditions of the Covenant along with the Family's five benefits, I was able to explain how they were enabled through God's seven annual Invitations to be Called Out and Meet. From there, I reestablished Yahowah's timeline from the Garden to His return so that His people would know where they had been, where they are going, and when it would occur. Along the way, I saw the obvious – the most prominent theme in the Towrah and among the Prophets – Yahowah's disdain for Yisra'el's propensity to be religious.

Shortly thereafter, I wrote *Questioning Paul*, proving emphatically and irrefutably that the Christian New Testament isn't just a fable akin to the myths of Odysseus and Dionysus, but that its every word is in conflict with Yahowah's testimony. More importantly, especially for Jews, I have subsequently proven that Peter and Paul plundered the accolades and accomplishments of *Dowd* | David to create the

myth of Jesus Christ. This is where the diabolical plague of Replacement Theology began.

Seven years ago, I was introduced to an exceptionally inspiring Yahuwd fulfilling the intent of Chawah, even Sarah, Leah, and Ruth in my life. As we sailed away from America five years ago to a writer's paradise in the midst of the Caribbean Sea, she insisted that we rebrand and rewrite every book, such that they focus entirely on the awakening and restoration of Yisra'el and Yahuwdym. The result of three years of retranslating and rewriting has led to what you see on the bookshelf at www.YadaYah.com. This wealth of information has become a shining beacon in a dark world – Yahowah's *Nes* | Sign for His people.

As if a character in the final act of God's story, when returning to complete the third volume of *Coming Home*, I was led to the greatest discovery of my life – of any life since Moseh and Dowd. From the Mizmowr, I came to understand why the Messiah volunteered to serve as the Passover Lamb on behalf of his Father. I saw it also from Yahowah's perspective and came to appreciate why He accepted and supported His Son's decision.

Thereafter, I repositioned the *Mizmowr* | Psalms so that they reflected the reason they were written, with Dowd starring as the Chosen One, God's Firstborn Son, the anointed Messiah and King, who was also our Savior as the *Zarowa'* | Sacrificial Lamb. I explained why the 22nd Mizmowr was written in first person to prophetically present the ordeal Dowd would endure of crucifixion as the *Pesach* 'Ayil | Passover Lamb. And then I came to understand through the Mizmowr, especially the 88th and 89th, how our guilt was laden upon Dowd's soul on the '*etsem qodesh chag miqra*' of *Matsah* | UnYeasted Bread, and carried into She'owl, where it was deposited, never to be seen again. Dowd would become the Firstborn of Yahowah when celebrating *Bikuwrym* | Firstborn Children. Seven Shabat thereafter, *Shabuw'ah* | the Promise of Seven was fulfilled as the Exemplar of the

Covenant became the first to be magnificently enriched and empowered, enlightened and emancipated by Yahowah.

I was called by the God of ‘Abraham on *Taruw’ah* | Trumpets 22 years ago for the mission I am fulfilling as the Messiah’s and Zarowa’s Herald, trumpeting his return on *Yowm Kipurym* | the Day of reconciliations in the Yowbel year of 6000 Yah / the first day of a new week as the sun finally sets on the religious and political chaos of man, 6:22 PM, October 2nd, 2033. Perhaps for the first time in your life, what you are reading is *tsadaq* | right.

In possession of this great treasure, I wanted to share it, so in January of this year, 2023, I set out once again to edit all 30 volumes I had written for the benefit of Yisra’el and Yahuwdym. They would all proclaim the news: Dowd is God’s Firstborn, the Messiah and King who came to serve as the Passover Lamb and is returning to enable the Day of Reconciliations by anointing the *Kaporeth* | Mercy Seat of the Ark of the Covenant.

Eight months into the final comprehensive rewrite of Yahowah’s *Nes*, having rewritten the three volumes of *Coming Home*, the newly added books on *Babel* excoriating Judaism, all three volumes of *An Introduction to God*, eight books of *Yada Yahowah*, it was halfway through the fifth volume of *Observations* that I found myself retranslating Yahowah’s most poignant prophetic remarks regarding the ultimate destruction of Gaza. It was a Shabat, October 7th, 2023.

And there I was, the one person prepared by Yahowah to tell the entire story of this day to His people. It had all led to this moment. I knew what Yisra’el and the world needed to hear, and realized that it would be the antithesis of what everyone else would be saying. Yahowah had devoted an entire chapter of *Yasha’yah* | Isaiah to the appointment and empowerment of His *Choter* | Secondary Branch and sucker off of the fallen stump that had been Yisra’el, so that Yada

would become known and deployable at this time.

Unique among men, as is God's custom, like Moseh before him, the Choter would be well versed on the enemy opposing God's people. He would also be a reflection of Dowd, a passionate and articulate, intellectually astute and courageous, student of the Towrah who fell in love with Yahowah. The Choter would partner with these great Zarowa' by sowing their seeds such that they would take root and grow at this time, producing a productive harvest of saved souls.

While I have never seen myself in the company of these great men, other than as one of many beneficiaries, with the unprecedented benefit of Yahowah's Seven Spirits, even the lowliest of branches can bear abundant fruit. This is why Yahowah inspired Solomon to speak of the *Nakry* | Observant Foreigner during the dedication of Yahowah's Home atop Mount *Mowryah* | Moriah. This is God's plan, it is being fulfilled as He foretold, and He was not shy about telling His people about this.

Should you want to become more familiar with how we – you and I – came to this place at Yahowah's direction, please consider the *Why You, Why Me* chapter in the opening volume of *An Introduction to God – Dabarym* | Words. Or alternatively, if your preference is to discount the many hundreds of prophecies pertaining to Yada serving as Dowd's Herald and Yahowah's Witness to Yisra'el at this time, I invite you to make an informed decision, which can only be done by reading the *Yada Yahowah* series. If you can disprove its findings, most all of them, using evidence and reason and without resorting to either contradictory citations from the rabbis or ad hominem attacks, then you'll prove yourself smarter than God and worthy of this moment. If not, and if your mind is open, you'll benefit from them.

Should you be neither overtly religious nor moronically progressive, open both to God and to reason, then you will find the means to survive and thrive – even among the loud

drone of religious rhetoric and political platitudes. It is your choice, your time, your soul. And it should now be obvious that the alternative is dismal.

As everything begins to disintegrate around you, Israel, and as the world turns against you, this is actually your greatest opportunity. And while I am the Herald of this message, not its subject, over the years I have come to realize that Yahowah has deployed two mighty *Zarowa'*, Moseh and Dowd, and a considerably lesser one, Yada – who is nonetheless vocal about his predecessors. Moseh and Dowd are the most important individuals in Yahowah's interaction with humankind. And it was when striving to appreciate all that the title *Zarowa'* represents that I was led to the prophecy which is particularly pertinent today. It provides yet another installment of God's announcement regarding His final Witness.

What follows is *Shalomoh's* | Solomon's commencement address to the Children of Yisra'el upon the completion of Yahowah's Home, more commonly known as the "First Temple." In the midst of the preeminent Sermon on the Mount, Solomon, after speaking of his father, Dowd, foretold...

“So therefore (*wa gam* – also and in addition), **regarding someone else, the observant and discerning foreigner from a different ethnicity and geographic location who will come to understand** (*ha nakry* – someone from a different place and culture, speaking a different language, who, having paid attention will comprehend and respond; from *nakar* – someone who, by being attentive and astute will come to be acquainted, recognize, and acknowledge something which deserves our highest regard and respect), **who, to show the way to the benefits of the relationship** (*'asher* – who, to reveal the correct and restrictive path to walk to get the most out of life) **is not of your people** (*lo' min 'am 'atah*), **this Yisra'el** (*Yisra'el huw'*), **he will come** (*wa bow'* – he will arrive and enter the

When (*wa*) **he arrives on the scene and chooses to**

pursue this (*bow'* – when he comes, bearing these associations, wanting to clarify the proper direction toward the ultimate goal which is to enter and be included (qal perfect consecutive – literally and genuinely, during this moment in time, and of his own volition)), **then** (*wa*) **he will help interested parties reconcile their relationship by providing those who exercise good judgment with the information and justifications needed to make a correct and reasoned decision** (*palal* – he will intervene in the relationship by providing an accurate assessment, enabling thoughtful individuals to come to an agreement, and by foreseeing future events he will provide persuasive arguments which are assured to deliver the expected results) **regarding this familial relationship** (*'el ha beyth ha zeh* – pertaining to and concerning God's home and family). (*Dabarym ha Yowmym / Words of the Days / 2nd Chronicles 6:32*)

of being a witness, who provides answers such that (*lama'an* – for the sake of responding, providing testimony with the express intent and purpose of revelation such that) **all peoples of the Earth** (*kol 'am ha 'erets* – everyone, every family and nation of the material realm) **will have a genuine and ongoing opportunity to become familiar with Yada', to know, acknowledge, accept, and understand** (*yada'* – will be shown and find, becoming aware of Yada' and familiar with as a result of the revelation and have the means to comprehend (qal imperfect)) **Your name** (*'eth shem 'atah* – therefore, Your proper designation and actual reputation), **coming to respect and revere You** (*wa la yare' 'eth 'atah* – once revitalized, approach Your awesome nature) **simultaneously along with** (*ka* – concurrently with) **Your people** (*'am 'atah*), **Yisra'el** (*Yisra'el* – Individuals who Struggle and Wrestle or Engage and Endure with God).

And also, so that (*wa la*) **they may know** (*yada'* – they might acknowledge, accept, and understand) **that, truthfully** (*ky* – assuredly), **Your family and this house** (*'al ha beyth ha zeh* – that Your home), **which to reveal the correct path to walk to give life meaning that** (*'asher* – to show the way to benefit from the relationship) **I have built for the family** (*banah* – I [Shalomoh] have constructed for the generations, for the son and the son's son), **are designated and called** (*qara'* – is summoned and received, proclaimed and appointed, and especially called out and welcomed) **by Your name** (*shem 'atah* – by Your proper designation, Your reputation and renown).” (*Dabarym ha Yowmym / Words of the Days / 2nd Chronicles 6:33*)

I did not ask Yahowah to draw your attention to *Yada Yahowah*, only to help me write it correctly for your benefit. And yet, I would be doing God and His people a disservice to disavow these prophetic pronouncements – especially at this time in the life of the floundering and besieged nation.

Yahowah wants Yisra'el to listen to Him and to come home. And not finding a Yahuwd who was willing to engage,

God stooped to using a *gowy*. Nonetheless, He is obviously pleased with what we have accomplished on His people's behalf with *Yada Yahowah* – or He would not have conveyed these prophecies to draw your attention to it.

So, what is your response? After all, it is a fair question since Yahowah has asked you to listen and to reply.

I have one last thought before we return to the condemnation of Muhammad and Allah, the Quran and Sunnah, Islam and Jihad in *God Damn Religion*. It is important that you know that America's counterproductive meddling in the Muslim Middle East has had several unforeseen consequences. By giving Iraq and Syria to Iran, it doomed Israel. The American invasions in 2001 and 2002, which I vociferously opposed from the beginning, divided the world's superpowers, with Russia and China favoring Iran and the US and Europe opposing the Shiite theocracy. We see this now with China and Russia issuing scathing indictments against Israel rather than HAMAS, which is an Iranian proxy, in the aftermath of the October 7th, 2023 massacre.

Adding to the fog of war, and errant perceptions, Joe Biden's oratory in support of Israel has been outstanding – far better than any of Netanyahu's speeches. And initially, he and his administration are saying and doing all of the right things. But it is a Trojan Horse, with America's Secretary of Defense and State stationed in Israel and the nation's largest Aircraft Carrier Strike Forces cruising nearby. Things are not as they appear. And it will all come crashing down as the Fakestinian casualties mount and the world screams – particularly Saudi Arabia – because MBS has it within his power to eviscerate America's economy. All that is needed now is for Iran to pull the Hezbollah trigger following Israel's invasion of Gaza and a panicked world will impose the final solution on the few on behalf of the many.

Plotting behind the scenes, the Biden Administration is scheming to provide Saudi Arabia with advanced weaponry,

a defense treaty where American lives are pledged to defend Saudi Arabians against any foe, along with nuclear capabilities. It is all under the guise of normalization with Israel, which will include the Biden Administration's pet project: the imposition of a Palestinian State with its capital in Jerusalem.

This is all occurring because the US financial sanctions on Russia backfired. As a result, over 150 nations want to replace the dollar as the world's reserve currency – a move which will cripple the United States. And the one man who can make that so or delay the inevitable – MBS – is using his black ooze as leverage. And he just so happens to be a murderous Muslim psychopath – albeit a clever and rich one.

America's ill-fated military incursions in the Muslim Middle East created such chaos that millions of Muslims fled to Europe, taking their vile religion with them. They are fanning the flames of anti-Semitism. In the week following HAMAS's Holocaust, three European countries felt the sting of Islamic terrorism with lives lost.

To appease the Muslims, and cover her bloody footprints, and millions of lost civilian lives, America is now the most aggressive advocate of the Two-State Solution – something Yahowah openly opposes on moral, rational, and defensive grounds. This problem is so egregious that Yahowah devoted the 18th chapter of *Yasha'yah* | Isaiah to exposing and condemning America's malfeasance.
